

Shinkolite™

Mitsubishi Rayon Co., Ltd. (MRC) warrants Shinkolite® - A clear transparent Acrylic Sheet against following defects in material for ten years after the date of delivery.

- Light Transmission (Clarity)
- Colour change (Yellowing)
- Mechanical Strength

No substantial change in uses under normal conditions for the period of ten years.

This means Shinkolite™ - A clear transparent acrylic sheet can be used under long continuous exposure without any noticeable change.

MRC, at its option, will replace any sheets which MRC shall determine to be defective in materials. No further claims will be admitted.

In no event shall MRC be liable for incidental or consequential damage of any nature of losses or expenses resulting from any defective product or use of any product.

**Conditions of warranty*

1. Has been used only for suitable installation in proper manner and fabrication
2. Has not been subject to mis-use and accident
3. Has not been affected on any stress from installed devices and bonding guests
4. Has not been influenced from adverse chemical and solvents.

This warranty is only valid in Australia & New Zealand.
