Due to the nature of the printing process, the colours and images depicted throughout this leaflet may vary compared to the actual finished products' colour. Image and colours are to be used as a guide only.

## StyleLite Product Range

### StyleLite High Gloss Panels

StyleLite High Gloss Panels consist of our premium StyleLite High Gloss Sheet laminated front and back. The High Gloss finish is easy to repair and maintain.

### StyleLite Velvet Matte Panels

Featuring a silky matte finish with increased scratch resistance, StyleLite Velvet Panels consist of StyleLite Velvet Sheet laminated front and back. The velvet finish features enhanced scratch resistance, however it is not repairable if damaged.

### StyleLite Standard Panels

Regular StyleLite panels, suitable for a range of general purpose applications. Uses premium quality moisture-resistant MDF, rated to formaldehyde emissions standard E0. Perfect for kitchen and vanity doors and panels, furniture, hinged wardrobe doors and general cabinetry. Double sided and single sided (with colour matched backer) options available in both High Gloss or Velvet.

### StyleLite Lightweight Plywood Panels

Lightweight panels, perfect for when weight is a consideration. Uses high quality lightweight plywood. Great for interior fitout for caravans and RVs - from furniture and kitchen cabinetry, to vanity doors and panels.

### StyleLite Sheet

StyleLite Sheet is manufactured from high quality acrylic-capped ABS, and features reverse-side treatment for superior bonding performance.

## StyleLite Indent Range

Due to the nature of the printing process, the colours and images depicted throughout this leaflet may vary compared to the actual finished products' colour. Image and colours are to be used as a guide only.
